

Tanman Raj

Bhopal, Madhya Pradesh – 466114 | Phone: +91 9341404967 | Email: tanman.23bai11341@vitbhopal.ac.in

Profile

Analytical and adaptable B.Tech student with a strong academic record (95.33% in Class 10, current CGPA: 9.35). Skilled in Machine Learning, Python, C++, Java, and SQL, with hands-on experience in healthcare modeling and drone hardware. Recognized for leadership as Finance Lead of Fusion club, VIT BHOPAL and Chairman of the Students' Forum, Saint Thomas school.

Education

Bachelor of Technology (B.Tech) in Artificial Intelligence and Machine Learning

VIT Bhopal University, Madhya Pradesh | CGPA: 9.35 | 2023 – Present

Class 10

Saint Thomas School, Ranchi | 95.33% | Year of Completion

Skills

- Programming: Python, C++, Java, SQL
- Machine Learning: Supervised Learning, Classification Models, Data Analysis
- Tools & Platforms: Git, Jupyter Notebook, MATLAB (basic), MySQL, Drone Hardware Integration

Projects

- Healthcare Modeling (Machine Learning)
 - Developed classification models (Decision Trees, Logistic Regression) to predict patient follow-up needs.
 - Conducted feature importance analysis and confusion matrix evaluation.
 - Focused on real-world healthcare applicability and accuracy.
- Drone Hardware Design
 - Built drone hardware integrating flight controllers and sensors.
 - Designed stability solutions and handled deployment challenges.
 - Improved understanding of embedded systems and troubleshooting methods.

Leadership & Extracurricular Activities

- Finance Lead, Fusion Club – VIT Bhopal University (2024 – Present)
- Chairman, Students' Forum – Saint Thomas School, Ranchi (2019 – 2021)
